ABOUT MEDDATA

MedData's patient-focused approach finds appropriate assistance to help people across the United States find sources that will pay for their medical bills – at no cost to them.

We are a team of dedicated people who enjoy what we do and we have made it our goal to help those who are in need.

We will do all that we can to ensure that you receive the assistance that you deserve.

We work tirelessly to reduce the financial burden of medical bills on patients and on the healthcare providers who serve them. Our work makes a positive difference to thousands of people and hundreds of hospitals and clinics, in communities across the nation.

WE CAN HELP YOU...

- Understand how your medical bills can be paid by another source.
- Complete any applications.
- Set up appointments with state caseworkers
- Gather all necessary paperwork.
- Make sure that your case is worked aggressively until it is approved and your medical bills are paid.

We will help you enroll in Medicaid and other medical assistance programs at no cost to you.
